Girl Who Swam From Albany To N. Y.; 153 Miles

Miss Mille Gade.

NEW YORK — Miss Mille Gade, Danish swimming star and instructor in the New York Y. W. C. A., recently swam from Albany to New York, approximately 153 miles as she swam it. She was in the water sixty-three hours and thirty-five minutes, swimming only in the day time and stopping for rest and food.

Lloyd George Gets Sinn Fein Reply Tonight

Dial Ready to Answer Query for Parley On Sept. 20

DUBLIN — The reply of the Dail Eireann to the proposal of Premier Lloyd George for a conference at Inverness, Sept. 20 on the question of an Irish settlement may be given out tonight, it was said here this afternoon but it was indicated as more probable that the publication would be deferred until midday tomorrow. Arrangements for tomorrow's meeting of the Dail called last week after Mr. Lloyd George's letter was received, have been completed. There was no session of the Dail this forenoon.

(By the Associated Press)
LONDON—Prime Minister Lloyd George who is in Gairnoch, Scotland, today received Harry Boland, secretary to Eamoon De Valera and Joseph McGrath, another Sinn Fein leader, and discussed with them some points with reference to the conference suggested in the British government's last communication to the Sinn Fein, says an official statement issued here tonight. McGrath and Boland now are returing to Dublin with Mr. Lloyd George's views for further consideration by the Dail Eireann, the statment adds.

WASHINGTON—Should the status of the Irish question permit the temporary absence of the premier from England in November, it was said today in informed circles here to be reasonably certain that David Lloyd George will head the British delegation to the Washington armament conference and that he will have as his principal assistant Andrew Bonar Law, who retired from the cabinet because of impaired health but who now has recovered.

The British delegation is expected to be completed by the addition of Sir Beamington Worthing Evans, secretary for war, and Lord Lee of Fareham, first Lord of the Admiralty. The desire of the British dominions for representation in the conference is expected to be met by placing the names of certain of their statement, such as premiers Meighan of Canada, Hughes of Australia, and Massey of New Zealand, and perhaps General Smuts of South Africa, on the list of advisers to accompany the delegation.

Unofficial List of Dead Reaches 200

DALLAS, Tex.—Overnight newspaper reports from portions of central Texas flooded as the result of torrential rains last Friday and Saturday, brought the unofficial list of deaths to nearly 200. Communication with the affected area still was more or less demoralized today but with the high waters in the Colorado, Brazos, San Gabriel and other streams rapidly receding normal conditions were in prospect.

10,000 Watch Johnson Win over Richards

Yonkers Net Star Fails Before Racquet of Westerner

PHILADELPHIA — A capacity gallery of 10,000 spectators was present when Wm. M. Johnston of San Francisco and Vincent Richards appeared for their afternoon match.

Richards quickly ran into a 3 game lead on excellent playing before the former national champion won his first game and eventually won the set 6—2. Johnston was not as steady as his more youthful opponent in the early games and while he passed and out-generalled Richards he mixed in enough errors to give the Yonkers youth the slight margin needed to win.

Richards repeated his rush in the second set which he won 6—3, gaining a three game leay before Johnston was able to check his opponent's rush. The former title holder evened the set with three games in a stretch in which he forced Richards into new court and kept him on the run with remarkable half volley shots, placements and cross court kills. Richards however, was timing his drives in perfect fashion and forced Johnston into error-making in the seventh and eighth games, which he won for a lead of 5—3.

Johnston won the third set 6—3. Johnston won the fourth set from Richards 9—7. Johnston defeated Richards again in the fifth and final set 6—2.

Anderson eliminated his teammate Hawkes in straight sets, 10—8, 6—0, 6—3.

Hawkes opened with a brilliant exhibition of hard hitting but as the play progressed he began to lose control while Anderson grew steadier.

The Lowe-Mathey match which was won by Lowe 6—4, 11—9, 6—4 was an endurance test between two exceptionally evenly matched players. Lowe won the initial at 6—4 due to his steadiness and placing, particularly in backhand stroking. The Englishman held to the base line most of the time while Mathey moved up to the net at every opportunity but his volley play was wild and he virtually lost on his own errors.

Tilden beat Schmidzu, 6—4 in the first set.

Tilden won the second set from Shimidzu 6—4.

Saloon Test Case to be Heard On Sept. 21

The test case of Milwaukee saloon men against the Severson prohibition enforcement law will be brought to trial, Sept. 21, before the Dane County circuit coudt here, according to announcement today.

Arguments of the saloon interests will be that the enforcement law, in requiring removal or alteration of bars, calls for a confiscation of property without providing compensation, and is unconstitutional. Attorney General Morgan will represent the state.

Here Is Bad News for Next Thanksgiving

Cranberry Crop Short Thousands of Barrels, Says O. G. Malde

CRANMOOR, Wis.—Wisconsin's 1921 cranberry crop probably will not exceed 25,000 barrels, according to O. G. Malde, for years cranberry specialist on the faculty of the University of Wisconsin. Mr. Malde made this estimate after a careful inspection of the bogs which under normal conditions are expected to yield from 40,000 to 50,000 barrels. He charges the shortage to June frosts, winter-killing, and heavy visitations of insect pests.

Finance Body In Refusal

Senate Finance Body Refuses to Abide by Secretary's Proposal

KEEP TAX TO JAN. 1

Repeal of Capital Stock Tax As of 1922 Favored by the Committee

(By the Associated Press)
WASHINGTON—The provision of the house tax bill making repeal of the excess profits tax effective next January 1, instead of last Jan. 1, as recommended by Secy. Mellon, was approved today by the senate finance committee.

The secretary's recommendation for repeal of the capitol stock tax effective as of 1922, was accepted and the committee voted to increase the corporation income tax from ten percent to 15 percent effective next Jan. 1. The houses increased this tax to 12½ percent.

The committee disagreed to the house provision exempting the salaries of the president and the judges of federal courts from taxation and also to the provision removing the tax on the first $500 of income from investments in building and loan associations. The committee practically agreed to retain taxes on express shipments and oil by pipe lines. Some committeemen thought it might be necessary to restore the other transportation taxes at half the presen rates but it was said this would depend upon a report from the government departments as to what actual savings could be affected this fiscal year.

Death Leads in Race With City's Births

More People Died in June, July and August Than Number Born

More deaths and fewer births are recorded for the months June, July and August, 1921, than for the same months of 1920, according to figures obtained from the city health offices.

The deaths this year are: June, 37; July 30; August, 43; total, 110; 1920—June, 33; July, 22; August, 31; total, 86. This shows an increase of about 28 per cent.

Births are recorded as follows: 1921—June, 59; July, 67; August, 72; total, 198; 1920—June, 72; July, 77; August 69; total, 218. Here there is a decrease about 10 per cent.

There were more marriages in 1921 than in 1920. Records show that there were: in 1921—74 in June, 23 in July, and 45 in August, a total of 142, while in 1920 57 are recorded for June, 33 for July and 42 for August, a total of 132.

No reason can be given for the increase in the death rate and decrease in the birth rate, it was stated at the offices. Many of the deaths this summer were due to old age, it is said. There were few contagious diseases.

$8000 Damage Suit Follows Melon Prank

16 Year Old Boy in the Town of Rutland Injured by Shot

An $8,000 damage suit has arisen out of an alleged melon theft which is said to have resulted in the shooting of Russell Madsen, 16, town of Rutland, on Aug. 16, by Joseph Crahan, a neighboring farmer. The suit has been brought by Mrs. Mabel Madson, mother of the boy, who charges that her son, with five other boys, went to the Craham farm, allegedly to get some melons. She charges that Crahan ran out with a gun and fired at the boys. Madsen was struck in the leg and fell, the rest of the group fleeing. Madsen's wounds are said to have resulted in a serious injury. Curkeet and Lewis have been retained by the plaintiff, James M. Clancey of Stoughton by the defense.

Hard to Get Jurors to Try O'Connor

CHICAGO—The task of securing a jury to try Tommy O'Connor for the murder of a Chicago detective, apparently was to be a hard one. Three veniremen were tentatively accepted yesterday but more than a score were excused after they had formed opinions or were opposed to capital punishment.

Big Increase in Enrollment as Terms Open

Registration Heavy in Local Schools; Attendance Jumps 487

An increase of 487 students was noted in the enrollment on Monday in the Madison public schools, according to Supt. Thomas W. Gosling Tuesday morning. The increase in the Central high school was 102 pupils. With but three exceptions, the Brayton, Draper and Marquette ward schools, there were more students enrolled on the first day of school this year than in 1920 figures from the superintendent's office show.

Three less enrolled in the Draper school this year on the first day, but it is expected that this decrease will be made up and an increase realized before the week is over. The same is the case with the Marquette school where 278 registered on Monday as compared with a total enrollment of 281 enrolled last year. The enrollment at the Brayton school this year fell 35 behind that of last year.

A total of 1,542 students entered the Central high school Monday in comparison with 1,440 last year. It is expected that this total will be increased during the week. The total students enrolled in grade schools in 1920 was 4,230 in comparison with 4,615 this year. The biggest increases in the ward schools were noted in the Randall and the Hawthorne. Each school had an increase of 99. Following is the enrollment of the schools compared with the registration of 1920:

	1921	1920
Central high	1,542	1,440

Varsity Man Attacked

(By the Associated Press)
LEWISTON, Me. — Armand T. Gaudreau who attracted notice in Boston recently by selling newspapers while wearing his college cap and gown, is at his home here recovering from an assault which he says was committed on Boston Common. He is partly deaf and blind as the result of the attack.

Gaudreau was graduated from the University of Main last June. Unable to find work he put on his cap and gown and peddled papers in Boston streets. His plight attracted attention and he gained a job. About two weeks ago, he says he started alone across Boston Common late at night. Four days later he regained consciousness in a Boston hospital without memory of what occurred.

Gaudreau says he was told that he had been found unconscious on the common, having apparently been struck on the head. He had been robbed of what little money he carried.

Hokanson-Oakland Co. Files An Answer

Answer to the $5,000 damage suit begun in the Circuit court by Gerhard Ripp against Mrs. Anna M. Olson and the Hokanson-Oakland Co., has been filed by the company, it states that the company sold the car to Oscar Olson, and that the company does not believe the plaintiff took proper precautions, when the accident, in which he was injured, occurred. The complaint alleged that Mrs. Olson purchased the car of the defendant company and that she was being taught to drive by a representative of the company when the accident happened.

Business Method Classes Will Again Be Resumed

Free classes in business methods will be started Wednesday, Sept. 14, at the Association of Commerce rooms, George H. Landgraf of the state board of education announced Tuesday. Last year classes in bookkeeping and accounting were held and were well attended by young business men of Madison. The success of last year's class, which disbanded in April, has lead to the resumption of the work this fall. Anyone interested may secure further information by attending the organization meeting Wednesday night at 7:30.

Perjury Among Witnesses in Arbuckle Case Made Today; Undue Influence is Charged

$10,000 Bequest Given to Former Madison Girl-Nurse in George Raymer's Will

Miss Mary Orchard, Well Known Here, and Brother of Madison Woman, Named Benefactors by One Time Madison Newspaperman

A $10,000 bequest to a nurse, who attended him for 17 years, is contained in the will of George Raymer, one time editor of the now former Madison Democrat, who died this summer in California after a long illness. The nurse is Miss Mary A. Orchard formerly of Madison. Substantial bequests are also left to other nurses and to former household employes.

The bulk of the estate, amounting to $100,000 in personal property in Wisconsin and considerable real estate in Los Angeles, Cal., goes to his daughter, Mrs. Ethel R. Edmonson of that city, who is appointed executrix of the will, which was admitted to probate Monday in the county court here. No conditions are attached to the bequest. The Central Wisconsin Trust Co. has been named trustee of the estate.

To Carrie Marie Erickson of Glendale, Cal., also a nurse, Mr. Raymer bequeathed $2,000, while Thomas A. McCabe, formerly of Madison, an employe of Mr. Raymer's household, gets $1,000. Five hundred dollars was left to each of the following: Anna G. Gysbers of Los Angeles, a nurse; Mary R. Flesch of Lancaster, Wis., a former employe in the Raymer household; and Miss Margaret Hemmer, a nurse of Pasadena, Cal. Mr. McCabe is a brother of Mrs. Thomas McCabe, 405 Pond st.

Mr. Raymer's sister, Mrs. George Shattuck of Medford, Wis., inherits $3,000, his niece, Frances V Shattuck of Hartford, Conn., $1,000, and Mrs. Carrie Tochterman, a niece residing in Monroe, Wis., $1,000.

First Woman Juror Drawn in Wisconsin

Miss Clara Carter of Kenosha Says She Will Not Ask Exemption

KENOSHA, Wis.—"I consider it my duty and will ask no exemption," was the response of Miss Clara Carter of Kenosha, when she was informed that she had been drawn as the first woman in Wisconsin selected for service as a juror.

Twelve women were drawn for the first panel to hear cases in the October term of the circuit court. Many of these women declared that they would claim the exemption granted to them in the state law. The list contained women from the city and from four of the eight towns of Kenosha county. All of the women had voted at the last general election.

On account of the fact that there are trials of over a hundred men charged with violations of the liquor law to be heard, the drawing of the jury has been considered of unusual interest.

Blind Bureau Appointments are Announced

Gov. Blaine Picks F. C. Klode, Dr. G. J. Hogue and Mrs. Maud Hooper

Three appointments to the state bureau for the care of the blind, established by the last legislature were made today by Gov. Blaine. Maud S. Hooper, Janesville, Dr. G. I. Hogue, Milwaukee and Frank C. Glode, Milwaukee, were the three members named.

Mrs. Hooper, is wife of J. T. Hooper, superintendent of the Wisconsin school for the blind.

Dr. Hogue is a specialist in diseases of the eye. Former Gov. Philipp was active in behalf of the candidacy of Dr. Hogue and urged Gov. Blaine to appoint Hogue. F. C. Klode is the president of the Fischer Furniture Co., Milwaukee.

Dr. Hogue and Miss Elizabeth McCarthy, former secretary to Ex-Gov. Philipp were active in putting the blind bureau measure through the legislature. It is expected that Miss McCarthy will be made the director of the bureau.

Feldman Will Start Paper Box Company

Machinery and Equipment Have Been Ordered for New Concern

The J. Feldman Paper Box Mfg. Co., capitalization $25,000, is to open in Madison within the next six weeks, according to an announcement by Jacob Feldman, president. Papers of incorporation will be filed with the secretary of state in a few days.

Machinery and other equipment for the new factory have been ordered and are expected in a few weeks. Mr. Feldman has rented a building with 5,000 feet of floor space, and expects to have a daily output of 5,000 boxes. Every type of paper box will be manufactured by the company.

Mr. Feldman learned the paper box trade in Germany before coming to this country 18 years ago, and has always maintained his interest in that industry. He was in the grocery business in Madison for 17 years and last September sold his store on University ave.

Hot Battle in Primaries on in N.Y. Today

Four Candidates Seek G. O. P. Nomination in the Metropolis

NEW YORK — Women voters, participating for the first time in a mayoralty campaign were conceded by political leaders, to hold the balance of power today in the primaries that will decide which of four Republican candidates is to contest the mayoralty election with Mayor John F. Hylan. The Mayor has no democratic opponent.

The four aspirants for the Republican nomination are:

Henry L. Curran, president of the Borough of Manhattan, F. P. Laguardia, president of the Board of Aldermen, Judge R. L. Haskell of Brooklyn and Wm. M. Bennett, former state senator from Brooklyn.

Curran, who is a coalition candidate has the backing of the regular Republican machine but the other three contestants have large followings and a close race was predicted. Laguardia has made his prime issue an attack on the republican machine and especially on Gov. Miller whom he has criticised for his alleged anti-home rule attitude. Judge Haskell, an avowed "wet" based his campaign on a claim that his showing would serve as an "indirect referendum" on prohibition. Bennett's stand was anti-coalitionist.

Laguardia announced last night that he would have motion picture ment on hand today to film any disorder or irregularities that might develop at the polls. This followed reports that a large number of "repeaters" had been imported from New Jersey.

H. C. Larson, state secretary of the Wisconsin Butter Makers' association, left last night for Chippewa Falls where he will score the butter at the northern Wisconsin state fair.

District Attorney Says Woman is Now Telling Different Story

HITS AT ZEY PROVOST

Her First Story Was That Arbuckle Had Caused Injuries to Miss Rappe

CASE TO GRAND JURY

Fatty is Brought Before the Investigators for a Few Minutes

(By the Associated Press)
SAN FRANCISCO—Miss Vey Provost, motion picture bathing girl, was questioned by Dist. Atty. Brady today regarding testimony she gave before the grand jury in supposed conflict with her other statements to the authorities concerning her part in the hotel party where Miss Virginia Rappe, motion picture actress, is alleged to have received the injuries from which she died. Simultaneously, Roscoe C. (Fatty) Arbuckle, motion picture comedian, who is charged with murdering Miss Rappe, went before a coroner's jury in the second day of the inquest into the actress' death. District Attorney Brady said he was going to endeavor to determine if Miss Provost, who is also known as "Vey Pyvron," was induced to commit perjury in her grand jury testimony last night. This testimony differed widely from statements made to himself and Captain of Detectives Matheson, Brady said.

Mrs. Bambina Maude Delmont, who brought the murder charge against Arbuckle, was the first witness at the inquest today.

Mrs. Delmont testified in detail in the grand jury session regarding the occurrences at the party in which Miss Rappe is alleged to have received her fatal hurts. She had repeatedly knocked and kicked at the closed door behind which were Arbuckle and Miss Rappe, she said, and finally compelled Arbuckle to open it. She told of having attended the stricken girl and of the girl's removal to the Wakefield Sanitarium from the hotel.

Mrs. Jean Jameson, one of the nurses who had attended Miss Rappe, testified that Miss Rappe had told her that Arbuckle had treated her roughly and that Arbuckle had said that he had waited five years for the girl. At times Miss Rappe said she did not remember what happened in the room and at other times she accused Arbuckle of hurting her, Mrs. Jameson testified. Dr. Wm. Ophus, who performed the post-mortem on Miss Rappe and Ira G. Fortlouis and Al Semnacher, guests of the party, also testified.

District Attorney Brady announced that he had summoned Miss Provost for an examination today regarding her testimony before the grand jury.

Arbuckle Delivered Washing.

SANTA ANA, Calif.—Roscoe Arbuckle gained the nickname of "Fatty" when he started to school here at the age of six years, according to former schoolmates. They also related today how he delivered in a little red wagon the washing done for other families by his mother, Mrs. Mary Gordon Arbucke, who died here when the future film comedian was 10 years old.

Other reminiscences of Arbuckle included his desire for a stage career and his work as a supernumerary with traveling theatrical companies for 50 cents a night.

Born Weighing 16 Pounds.

LOS ANGELES—Roscoe (Fatty) Arbuckle's only sister, Mrs. Nora Arbuckle St. John, mother of Al St. John, also a motion picture actor, today told newspaper reporters her brother "had taken care of himself since he was 14 years old and never asked help of his relatives, but since he had made his fortune he had always been generous to his own people."

"He has done many kind things for me and my family," she said, "and for our brother at Fresno.

"I know my brother too well to believe he would do anything unkind or ungentlemanly to a woman. He has the kindest, tenderest heart in the world."

She said Arbuckle was "born fat," having weighed 16 pounds at birth.

(By the Associated Press)
SAN FRANCISCO—A statement that perjury had been committed by one of the chief witnesses for the prosecution at the grand jury investigation last night of the death of Miss Virginia Rappe, for whose alleged murder Roscoe Arbuckle is under arrest, was issued here today by District Attorney Brady.

Dist. Atty. Brady also charged that he believed "undue influence and pressure of a sinister character

Universities Expect Huge Enrollments

Minnesota, Ohio State and Illinois Schools Look For Increases

CHICAGO—Opening of the big state universities in the middle west this month will bring to many the largest number of students in their history. This is indicated in reports from a number of institutions received here.

"We shall no doubt have the largest enrollment recorded at the University of Minnesota," writes Dr. J. J. Pettijohn, assistant to the president of the University of Minnesota." Several factors are contributing to this:

"One is the general tendency of more people to go to colleges and universities. Second, the growth of high school registration, and the turning out of the largest number of high school seniors ever graduated at any previous June. Third, in every industrial and commercial depression the attendance at colleges and universities increases more rapidly than under normal conditions."

Northwestern University at Evanston, Ill., is compelled to restrict registration. This is a private institution, which enables it to hold down attendance, which state schools, in general, may not do. A good increase is expected by President W. O. Thompson of Ohio State University. Mid-summer registrations ran several hundred over the same time last year. Indiana University reports every sign indicates an increased attendance, which will tax capacity of buildings to the utmost.

The University of Wisconsin and the city are equipped to take care of a moderate addition in number of students and since its experience in 1919 in handling a large increase the University is not apprehensive of the future, writes President E. A. Birge. An increase of about 10 per cent is expected at the University of Illinois. It expects to take care if attendance better than last year, reports President David Kinley. The University of Michigan, likewise anticipates a manifest increase and to be overcrowded, but as in the past, to take care of students and to do its duty by those who come, writes Natalie E. Murphy, secretary to President Burton.

State Bankers Inquire About Withdrawals

Millions Taken Out to Pay for Authorized Highway Expenditures

The increasing withdrawal of state funds from banks, which amounted to $5,000,000 the past two months, bringing the total outstanding accounts on the general fund from over $11,000,000 to approximately $6,000,000, has resulted in inquiry from the state depositories, Treasurer Henry Johnson said today.

He exlained that his letter to Gov. Blaine last week, showing that millions were being taken from the treasury to meet authorized highway expenditures, gave the cause for the state withdrawals. Deposits, however, amounting to $3,600,000 from railroad taxes will be made in October, he said.

The past legislature authorized expenditures totaling over $3,000,000 more than the estimated revenue. As a result it is expected that the treasury will run along with a much smaller surplus than formerly, especially in view of the large highway program.

Both the state building plans and the highway program have been held up the past four years, with the funds authorized for this work accumulating in the general funds of the treasury.

Determination to start construction of the $2,000,000 of authorized building by the legislature, and to catch up with the highway work, halted because of war prices, has brought a sudden reduction in the amount of available state money.

Highway expenditures have not equalled the amount authorized by the legislature as yet, nor is it planned to spend all the available money this season, according to A. R. Hirst, highway engineer.

Three Guard Men May Go to West Point

Three more members of the Wisconsin national guard are to be recommended for West Point. They must, on July 1, 1922, be between 19 and 22 years of age and have served a year in the guard. A preliminary examination is to be held here the first week in November, and the final examination will be conducted on March 7, 1922.

Health Board Lays Plans to Hit Diptheria

Alarming Increase is Shown During the Year 1920

In the face of an alarming increase in diphtheria, with 365 deaths in 1920, averaging one per day, the state board of health is notifying all physicians and health officers in the state to comply strictly with state rules for its prevention. The increase is attributed to neglect of precautions prescribed for this disease.

"An investigation made during the past year," says the board's letter, "shows that release cultures are not being taken in the majority of the families in which deaths from diphtheria occur. Considering the grave menace to human life caused by the failure to utilize a simple and reliable procedure, this neglect can not longer be tolerated."

The rules require the quarantine of diphtheria patients or carriers until two negative cultures, taken not less than 24 hours apart, have been obtained from the nose and throat, and quarantine of all exposed persons ("contacts") until one negative culture has been obtained. All release cultures must be taken by a representative of the local board of health.

To promote such a knowledge by physicians and health officers (many of whom are laymen), the board is insisting upon a written statement testifying to a proper understanding of the rules for taking cultures and promising assistance in applying them, and where not understood the requirements are made clear by special letter.

Funeral of Judge Evans' Wife at Baraboo Tomorrow

BARABOO — Funeral services for Mrs. Mary Roundtree Evans, wife of Judge Evan A. Evans of the U. S. district court, who died at her home Sunday night, will be held Wednesday at 2:15 from the home to the Episcopal church. Rev. Mr. Laurenson will officiate. Interment is to be in the Baraboo cemetery.

Small Grains Show Decline During August

Crop Reporter Becker in Statement; Oats, Barley, Wheat and Flax

Production of small grains in Wisconsin suffered a further decline of nearly 5,000,000 bushels during August, bringing the total estimated yield down to 81,121,000 bushels compared to 86,084,000 estimated on August 1; 137,149,000 produced in 1920 and a five year average of 126,718,000 bushels, Joseph A. Becker, crop reporter, says today.

The oat crop prospect declined from 65,127,000 bushels on August 1, to 60,865,000 bushels at the time of harvest, much of which had been completed by August 1, according to the report.

In 1920 the crop of oats was 107,906,000 bushels compared to a five year average of 93,456,000 bushels. Condition of the crop at time of harvest was 53 per cent compared to 58 per cent on August 1, 95 per cent in 1920 and a ten year average of 88 per cent.

A barley crop of 10,397,000 bushels is estimated from the condition of the crop at the time of harvest. This compares with 11,089,000 bushels estimated on Aug. 1, 15,930,000 produced in 1920 and a five year average of 19,162,000 bushels. The condition is reported as 61 per cent at the time of harvest, compared to 66 per cent on August 1, 89 per cent at harvest time last year, and a ten year average of 86 per cent.

Wheat production is estimated at 3,053,000 bushels in comparison to 3,067,000 forcast on August 1, 5,161,000 produced in 1920, and a five year average of 6,156,000 bushels.

The Wisconsin rye crop is reported at 6,450,000 bushels, compared to 7,728,000 produced in 1920, and a five year average of 7,564,000 bushels.

It is estimated that the buckwheat crop will equal 356,000 bushels compared to 351,000 estimated on August 1, 424,000 produced last year and a five year average of 380,000 bushels. The condition on September 1 was 77 per cent, compared to 78 per cent on August 1, 80 per cent a year ago and a ten year average of 83 per cent.

Production of flax in Wisconsin is estimated at 95,000 bushels compared to 88,000 forcast on August 1, 101,000 produced in 1920 and a five year average of 65,000 bushels.

New Marinello Shop

—Photo By Photoart House.

The Madison of tomorrow is exemplified by the enterprice and forethought of Mrs. W. Wengel in the establishment of her modern beauty parlor, the Marinello shop, at 225 State st.

There are over 2,500 licensed Marinello shops throughout the United States and this shop compares favorably with the best of these. In many ways it is superior in appointment for work of the majority. Mrs. Wengel has arranged for an increase of 17 booths over the six formerly used. Entirely new equipment has been added and modern in every detail. The Marinello shop is now ready to take care of former customers and is able to give 73 different beauty and medical treatments. All the operators of the Marinello shop are licensed as Marinello cosmeticians, after each has passed a complete course of study and rigid examination.

The interior decorations are in peacock and sky blue combined with French gray, the official colors of the Marinello organization. The architecture of the shop was planned by Edward Tough of Madison and the window decorations were arranged by Art Knisely of the Burdick-Murray store.

Over 1,000 people attended the formal opening Friday.

Man's Trouble Arrested

"The past 4 years I have been going down, down, down with catarrh of the stomach and had to give up work a year ago because of my weakened condition. I suffered terribly from bloating and colic attacks. Mayr's Wonderful Remedy was recommended to me. I took a course of it and am now feeling fine." It is a simple, harmless preparation that removes the catarrhal mucus from the intestinal tract and allays the inflammation which causes practically all stomach, liver and intestinal ailments, including appendicitis. One dose will convince or money refunded. At all Druggists.—Adv.

Christ's Return Solves World's Problems

"millions now living will never die"—Judge Rutherford.

The Scriptures abound in time prophecies indicating when such events as have distressed mankind during the past few years, and the opportunity for profiteering in all its phases, will forever end.

The divine law is inexorable and every inspired revelation of the divine purpose respecting the affairs of the old world, over which Jehovah for a special purpose tolerated Satan's rule, has been fulfilled exactly on time, and the time for the binding of Satan is at hand.

Every Bible scholar is aware that whether it is now or one hundred years hence, mankind will some time arrive at the end of Satan's reign, when everlasting life on this earth can be his blessed portion, instead of death and the tomb, as has been the case under Satan's six thousand years of evil domination and delusion.

The purpose of this free lecture is to furnish every inquirer positive Biblical proof and secular evidence, based on prophecies fulfilled during the last five years, that "millions now living will never die", and that we shall within the next few years enter this long-hoped-for period, when families will be reunited and live happily on earth ever after.

If you are interested in the future blessing of yourself and your loved ones and of the whole human family you owe it to yourself to hear this lecture.

This lecture has comforted multitudes bereaved by the world war, epidemics, and attending sorrows. So great has been the demand that it has been amplified and published in book form, including 500 Scriptural proof texts. Those unable to hear the lecture may have a copy by sending 25 cents to I. B. Nat Nazarro and His Tumblers Are Stellar Orpheum Attraction

Nat Nazarro and his company of tumblers and amiable negroes, have close competition for headline positions with another stellar actor of the same name, Cliff Nazarro, on the new Orpheum program. The colored boys do considerable of the entertaining in this miniature minstrel exhibition with a combination of buck and winging harmonizing and just general tomfoolery. Cliff Nazarro adds two additional young ladies to his ensemble, the Darling Sisters, who are delightful pastiraors in their field of musical revue. Cliff carries the heavy parts with youthful gusto that is neither tiresome nor topheavy. A variety of snappy retorts characterizes the "League of Servants" sketch offered by Mae Melville and George Rule. The two Stenards make a significant introductory act in a xylaphone novelty of all the popular and semi-classical tunes. Lazier Worth and his companion exhibit their wonderfully developed muscular powers in a series of tumbling exercises. Bobby and Earl are not up to the standing of the program in their comedy "I'm So Nervous."

THE MAJESTIC — "The Old Nest," a Reginald Barker production offered by Goldwyn which is now playing at the Majestic Theatre, is perhaps the richest picture in personalities that has been placed before the public in many a season. The story and the scenario were written by Rupert Hughes, the direction was handled by Reginald Barker, and the cast includes the following players: Mary Alden, Cullen Landis, Louise Lovely, Helene Chadwick, the famous "Edgar" children, Johnny Jones, Buddy Messenger and Lucille Ricksen; Maurice B. ("Lefty") Flynn, Molly Malone, Richard Tucker, Nick Cogley, Dwight Crittenden and several others.

THE STRAND — James Oliver Curwood's "God's Country and the Law" will be shown at the Strand Theatre for the last times today. The story tells of the never failing energy of the mounted police bringing their man to justice. Clara Kimball Young in her latest picture "Charge It" will be shown at the Strand Wednesday to Saturday.

Wisconsin Holsteins To Compete at St. Paul

Wisconsin's reputation as a progressive Holstein state will be upheld and Wisconsin Holsteins will compete with all other states and Canada for highest dairy honors at the National Dairy Show to be held in St. Paul during the second week in October. This thought dominated in the minds and utterances of 50 of Wisconsin's most prominent Holstein breeders as they met in Fond du Lac recently in response to President Ryan's invitation to meet with the officers and directors of the state association in executive session for the purpose of discussing ways and means for furthering Wisconsin's greatest in the Holstein industry and in the dairy industry generally. Owen Muller of Watertown, Fred Klussendorf of Waukesha, and L. L. Oldham of Madison were named a special committee to conclude arrangements for a show herd of 30 head of state fair blue ribbon winners representing Wisconsin in the show ring at the National Dairy Show on Oct. 12th and 13th. Wisconsin Holsteins won international fame at the Chicago show a year ago and an effort will be made to repeat the 1920 achievements.

Harding Congratulates Man 100 Years Old

HUNTINGTON, W. Va.—John T. Gibson, retired from the army, who will celebrate on next Saturday the 100th anniversary of his birthday, yesterday received a congratulatory telegram from Pres. Harding. It follows:

"I do remember very well the old gentleman who sat next to me at the Huntington meeting last aut mn and am delighted to greet you again. I have to congratulate you on having lived a full century, the most eventful and important, I am sure, in the world's history; and I hope you will have many more years vouchsafed to you in what I believe will be a yet more important and fruitful time."

HEART and HOME PROBLEMS

By MRS. ELIZABETH THOMPSON

Dear Mrs. Thompson: I am a girl of 18 and have a girl friend of about the same age. We both seem to take a liking to the same young man whom we met at the same time. I like the boy, but I like the girl too well to give her up. The young man seems to treat us both alike and shows no partiality. I know that my girl friend likes this young gentleman as well as I do and he seems to like her also. What advice would you give?

FLOSSY.

Talk the matter over with your girl friend. Tell her that you realize sooner or later the young man will show preference. Say that you value her friendship highly and that if his preference turns to her you want her to understand your feelings will not be hurt. Doubtless she will feel the same about his turning to you. If each decides to give him up to the other if necessary, there will not be hard feelings when the time comes.

* * *

Dear Mrs. Thompson: I am a young lady 20 years old. I am going with a fellow my folks are against. We go together on the sly. He is no man for society and I love to dance and go out and have a good time. He wants me to run away with him and get married. I know it would kill my mother. I have tried to deceive her already. In time to come will I be happy with him? My folks do everything they can for me. Shall I listen to him or stand by my mother? I know he won't talk to my folks. Do you think I ought to respect a man who won't speak to them?

MARY.

I do not like the things you say about the young man, and would advise you to obey the wishes of your parents. A man who will not speak to your parents is not the kind of man you want to marry. You may be sure that he would treat you in the same way after marriage. Besides you and he are not well suited to each other since you like society and he does not.

Dear Mrs. Thompson: When I was in the sixth grade I met a boy whom I liked very much. We were very chummy for over two years. Then he moved from town. Before he left I gave a small party for him and promised to write. The first letter from him was a decided love letter. It provoked me and I did not answer it or the others that followed. His letters became fewer and in one year he returned. We did not speak. We went to the same high school and not until this May, which made three years since his return, did we speak.

In the meantime I have gone with about 20 or more different fellows, but none of them appealed to me. Now this "old beau" has shown signs of great interest. I in turn, am very much interested in him. Both of us are backward in making advances. Will you kindly tell me how to win him back? I am going on my vacation soon. Would it be all right to send him a card?

Do you think this is merely infatuation? Surely it would not last for six years. I saw him only the other afternoon and he went way out of his way to speak to me.

LONESOME.

Since your correspondence is so far in the past, I would not advise you to renew it by sending a card now. Instead it would be better for you to invite the young man to come to see you some time. Speak to him cordially and show by your actions that you regard him as an old friend.

I cannot say whether you are the victim of imagination or real love. It may be that you have been building ideals around each other all this time, which will fall when you become better acquainted.

BILLY WHISKERS

By Frances Montgomery

When Daisy heard how poor Judy acted after eating the potato blossoms she cried, "Oh, my darling baby girl, those potato blossoms had Paris green on them to kill the potato bugs and that is why I told you twins not to go there to play. Probably now by your disobedience you have been punished and Judy will die. Come, Punch, and show me where she is. Now, you go tell your grandmother or grandfather to go to the house for help, while I go to your sister."

With quaking limbs and tear-dimmed eyes, Daisy turned to her little twin girl. When she found her, her face was all drawn in pain and her eyes were rolled up as if she were dead. As Daisy leaned over her, licking her face and cooing loving words in her ear, she heard Mr. Watson's voice call out:

"Hi there, Daisy, what are you doing in the potato patch? Get out of there this minute or you will get poisoned, if you are not already. Heigh-ho, there is something squirming around her feet. Why, bless my soul, it is one of the twins. Now I know what is up. It has crawled through the fence into the patch and eaten some of the leaves that had Paris green sprinkled on them and unless I can get a stomach pump here in a hurry it will die. Hi there, Mike," he called as he saw Mike crossing the barnyard. "Bring me that stomach pump we used on the old cow that day she nearly died from eating something that disagreed with her. Hurry or you will be too late."

Mike started on a run for the tool house where every tool or other kind of implement that could be used on a farm was kept.

Mr. Watson turned to the twin to see how far gone it was.

"Thank goodness he has found the pump," said Mr. Watson to himself as he saw Mike running toward him with it in his hand. "So much for keeping everything in its place. I guess now we can save Judy, but had we had to look for the pump it would have been too late and she would have died."

While Mr. Watson and Mike were working over Judy, Billy, Nannie and Punch had joined the group, as well as an inquisitive chicken or two who, after standing and looking awhile, ran off to tell the exciting news to the rest of the feathered tribe on the farm.

Soon the news was crowed out from every rooster's throat in the place and the peacocks left off admiring the thousand tees in their tails to call out the catastrophe in their shrill unmusical voices, while the guinea hens ran with all their noted swiftness to the surrounding farms to tell the news of the poisoning of Billy's granddaughter.

(You will have to wait until tomorrow to hear more about poor Judy.)

RECIPES FOR A DAY

Creamy Rice Pudding—One-half cup uncooked rice one quart milk, one-fourth cup sugar, one-half teaspoon cinnamon, one-half teaspoon salt, one-half cup raisins. Wash the rice and place in a buttered baking dish. Add the milk and other ingredients. Bake in a slow oven for two hours. Stir frequently to work in the crust which forms on top and to stir up the rice from the bottom. As the brown top dissolves in the hot milk, it gives a creamy appearance to the pudding.

Luncheon Toast—Two hard-boiled eggs, six slices of toast, one cup of strained tomato juice, one-third cup of cold water, two-thirds cup of hot milk, one-third teaspoon of salt, one-third teaspoon of soda, one tablespoon of butter, four tablespoons of flour, one teaspoon of sugar.

Simmer the tomato until hot, then add sugar, salt and soda until it boils. Rub the flour to a paste with cold water and add to tomato mixture. Cook five minutes, add butter and hot milk. Toast the bread on one side, arrange on a platter and pour tomato over all.

Garnish with the hard-boiled eggs which should be cut in slices lengthwise.

Stuffed Peppers—To make sufficient stuffing for six peppers of moderate size, melt two tablespoons of butter in a frying pan and in it fry a thinly sliced medium onion until the onion is a golden brown. Then add a cup of coarse bread crumbs and brown them with the butter and onion.

To this add a cup of corn scraped from the cob and a well beaten egg. Season with half a teaspoon salt, or more if desired.

The mixture is then ready to be placed in the peppers which have been parboiled after the stems and seeds were removed. The parboiling removes the bitter taste and makes them more digestible.

After stuffing the peppers are covered with buttered crumbs, placed in a buttered baking dish, a little water added, and baked about half an hour.

PICKLE RECIPES

Sour Cucumber Pickles— Select small cucumbers of uniform size, wash them and arrange in a crock, lined with cabbage or grape leaves. Cover with a brine that has been scalded, using a generous cup of salt to a gallon of water, and lay over the top additional leaves. Let stand over night. The next day drain, rinse and pack into sterilized jars. Add as you pack a few whole spices, to suit the individual taste, with a few bits of shredded red peppers and fill to overflow with boiling hot vinegar. These pickles will keep indefinitely.

Sweet Cucumber Pickles—These are prepared as the sour pickles, save that brown sugar is scalded with the vinegar (to suit the taste) before pouring over the cucumbers. Add in addition to the whole spices, green nasturtium seeds and a few pieces of horseradish.

Yeast Vitamon Tablets Greatest Beauty Secret
Banishes Skin Eruptions, Puts On Firm Flesh, Strengthens the Nerves and Increases Energy

This or run down folks who want to quickly get some good, firm, solid flesh on their bones, fill out the hollows and sunken cheeks with strong, healthy tissues and build up increased energy and vitality should try taking two of Mastin's tiny yeast VITAMON tablets with their meals. Mastin's VITAMON tablets contain highly concentrated yeast vitamines as well as the two other still more important vitamines (Fat soluble A and Water soluble C) all of which Science says you must have to be strong, well and fully developed. They banish pimples, boils and skin eruptions as if by magic, strengthen the nerves, build up the body with firm flesh and tissue and often completely rejuvenate the whole system. By getting the precious yeast vitamines in this concentrated tablet form you run no risk of causing gas or upsetting the stomach and can be sure of quick, gratifying results.

If you are thin, pale, haggard, drawn looking or lack energy and endurance you will find it well worth while to make this simple test: First weigh yourself and measure yourself. Next take Mastin's VITAMON—two tablets with every meal. Then weigh and measure yourself again each week and continue taking VITAMON regularly until you are satisfied with your gain in weight and energy. It is not only a question of how much better you look and feel, or what your friends say and think—the scales and tape measure will tell their own story.

IMPORTANT! While the remarkable health-building value of Mastin's VITAMON Tablets have been clearly and positively demonstrated in cases of lack of energy, nervous troubles, anaemia, indigestion, constipation, skin eruptions, poor complexion and a generally weakened physical and mental condition, they should not be used by anyone who OBJECTS to having their weight increased to normal. So rapid and amazing are the results that success is absolutely guaranteed or the small price you pay will be promptly refunded and the trial will cost you nothing. Be sure to remember the name Mastin's VI-TA-MON—the original and genuine yeast vitamine tablet—there is nothing else like it, so do not accept imitations or substitutes. You can get Mastin's VITAMON tablets at all good druggists, such as

ROUNDY'S CORNER

By ROUNDY

Time 2:45.
Place, Kipp Field, Sunday.
Teams, French Battery, Mt. Horeb none.
Inside ball, None.
Hasbeens, Al. Dohr.
Glass Arms, Wiedenbeck.
Comedy, Plenty.
Ball Players, Carroll.
Bears for punishment; Statz, pitcher, and Ruth, manager.
Dropping fly balls, Dohr and Brink, Mt. Horeb plenty of them.
Cute things, Breilmeier windup, and Statz batting.
Game, nine innings, plenty.

* * *

The ball game between Mt. Horeb and French proved that in Big Benn Mt. Horeb has a good ball team.

* * *

And without Kleinheinz the Mt. Horeb team is no team at all.

* * *

Harop on third played a nice game and hit the old ball for a fare-you-well for the visitors.

* * *

Christenson pitched gilt edge ball while on the mound for the visitors but his arm was sore so they could not start him.

* * *

Stoneman, the visitor's star catcher, played as if he was glad that school was to open today.

* * *

If not the best played ball game that was ever played on the French field, Edgerton nosed out the Flashers Saturday in an air tight game which sure had all kinds of thrills in it.

* * *

The Edgerton team is rather upset since that accident that former members of he team were in but they sure gave the fans all that was in them here Saturday.

* * *

The Flashers had some tough breaks in that game and any time you go out and beat that Flasher team you need the breaks of luck as they are putting up nothing but A No. 1 ball on the diamond all the time.

* * *

Stinzi and Strasburg pitched great ball. Both pitchers had the batters at their mercy and if Kirkpatrick had caught that line drive as he should they would have played all night to a tie.

* * *

A great throw that had to be perfect to keep the game going into extra innings in the ninth by Whitley, catching Wiedenbeck at the plate sure was the turning point of the game.

* * *

Stuvengen, the Edgerton first baseman, played a great defensive game for the visitors and Silverthorn did some of the nicest throwing to the bags to catch runners that sure helped the Edgerton team.

* * *

Carroll, the Flashers' third baseman, sure played a great game at the dizzy corner. The kid is the best fielder Madison has had since I have been following the game and this is my 16th year.

* * *

The game was clean cut. No wrangling on either side, and was fast and the fans want to see the winner of the Flasher and Stoughton game here Saturday play Edgerton here for the title of Southern Wisconsin.

* * *

There is a report that Edgerton will have a new bank. Chances are it will be started with the ball players as directors, as they have been getting Wall Street salaries. Ask Ellicson, the manager.

* * *

You should have seen the smile on McDonald, the Edgerton hotel keeper's face, at the hair raising finish here Saturday. Mac went over and drove the wrong auto half way home before he noticed it, he was so happy.

* * *

In Taylor, the Edgerton has a great infield.

All out for this Saturday and see the Stoughton team in action. They have a real ball team and deserve support. And see Rube Noble in action. Say that bird has to strike out 15 or more men a game to feel right.

Many Ifs Hold Gopher Strength Secret from World

MINNEAPOLIS—Many "ifs" prevent Minnesota's football prospectus from being optimistim for the approaching football season. Captain Laurence Teberg will assemble his squad of 1921 candidates for preliminary practice on Sept. 15 and until then, advance opinion is conjectural. If Arnold Oss, star halfback, has completely recovered form the injury to his knee which prevented him from playing in true form last year; if Earl Martineau, stellar running mate of Oss, escapes scholastic ineligibility; if Trygve Johnson, former Gopher captain and one of Minnesota's best tackles, decides to return to school; if Festus Tierney, all Western guard in 1921, rejects an offer to play professional football and reports; if Oliver Aas and Cyril Olson, two linemen from the 1920 freshman team live up to expectations,—and if injuries do not handicap the squad, Minnesota will have a team which will be able to give a battle to any of the conference aggregations. Martineau, an exceedingly fast man and clever at open field running, is claimed to be the greatest punter to appear on Northrup field.

Leaders in Torrid Flag Drives and a Dark Horse in the National League

Branch Rickey, Cardinal boss, the dark horse; Manager McGraw of the Giants, center, and Miller Huggins, Yankee pilot, right. Below, Boss Tris Speaker of the Indians and George Gibson, manager of the Pittsburg Pirates.

Four teams are struggling, straining, fighting to the last breath in the greatest pennant scramble in baseball's history. In the American league the Yanks and Indians are fighting it out. In the National league the Pirates and Giants are battling for the lead. And, climbing rapidly in the last month, the St. Louis Cardinals, led by Branch Rickey, have made the other two teams worry. It would be possible for them to beat out either team.

Single G Wins Syracuse Fair in 2 Minutes

Barefoot's Veteran Cops Grand Circuit Pace; Equals Best Time

SYRACUSE—Single G., the 11 year old pacer owned by W. Barefoot, Cambridge City, Ind., won the champion stake free for all pace in the Grand Circuit meeting at the state fair in straight heats, stepping the second heat in 2:00 flat, and equaling the fastest time ever made on the Syracuse track. Several years ago Miss Harris M., also a pacer, made the mile in 2 minutes.

King Etawah, driven by Ben White, in winning the Merchants' cup, the trotting event for 2 year olds, equaled the record for the year for his class when he negotiated the mile in 2:09¾ in the third heat.

Single G.'s exhibition was the feature of the meeting. The veteran pacer won the three heats, all of which were in fast time. The 2:15 trot, the third race on the program, was won by Warner's Legal J., after a hard battle in four heats. Legal J. took the last two after Crane's Let Fly had annexed the first in easy style. The last race on the card, the 2:12 pacing event, went to Queen Abbe.

CINCINNATI, O.—Tommy Gibbons, St. Paul heavyweight, won from Bill Reed, Pacific coast fighter, in the second round of a scheduled 10 round go.

Baxter Is Here To Show Fans That He Is a Real Fighter

Harry Baxter, pacific coast lightweight boxer, who is employed in a local bakery, has been signed by Jack Boyd, Madison promoter, to meet any man who can be obtained for him. Baxter claims to be as good as they make 'em outside of the championship ring, and even has aspirations to mix it for that honor some day.

He is a clean fighter, weighing about 126. He fought Muff Bronson to a fare-you-well for six rounds and was awarded a draw with the former coast champion. He is willing to make 122 for the lighter men, should they wish. He is anxious to show the Madison fans his style of fighting, and prove to them that he is worthy of a windup match with the best that can be secured for him. He says he wants to demonstrate that he is not a wind-jammer, but has the goods. All of the boxing money he earns, he says, goes into the bank. He intends to buy a bakery.

Pirates Split in Duo With Boston Braves

PITTSBURG—Pittsburg and Boston split even on Monday's double header, the Pirates winning the first, 5 to 4, in fifteen innings, and losing the second, 4 to 3. Carey's single, Maranville's double, and Gibson's error at the plate scored the winning run in the fifteenth inning.

With the score tied and two out in the eighth inning of the second game, Zinn passed Christenbury and Cruise, after which Boeckel's single to center scored what proved the winning run.

Northwestern to Have Grid Team of Vets

Purple, Who Play Badgers Oct. 15, Strongest in Years

CHICAGO — All members of last year's football team at Northwestern university will appear at Evanston for the initial practice with the exception of Buddy Lane and Lassiter. Elmer McDevitt will leave his law practice in St. Paul and come to Northwestern to coach again. He will be assisted by Jack Sawtelle.

Buddy Lane, graduated last June, will be missed as he was one of the best punters ever developed at Northwestern. But when the first practice is called Coach McDevitt will have at least fifteen men who have had experience in conference games. He will welcome back at least twenty players who know his style of coaching and will be ready to step in where they left off. Last year McDevitt met an almost new squad. This year he will greet veterans.

Jack Hathaway captain-elect, will serve his third year on the team. Graham Penfield, last year's captain, will be back at one of the guard positions. His heavyweight brother, Henry, will again play tackle. Ole Dahl and Ole Magnuson, guards; Blackwood, Wright and Erwin, tackles; Saunders, Ewing and Shearon, on the wings, are other Northwestern men who will return. Bensinger, star of last year's freshman squad, is expected to replace Lane as the punting expert. He plays halfback. Chuck Palmer, a star in forward passing, will return. Patterson, Szold and Harry Grausnock are other good backfield men who will answer the call.

Other members of the 1920 freshman team who will contribute to the varsity material are Johnson and Michaelson, backfield men; Walters and Goodman, guards; Putnam and Horton, tackles; Herman, center. Northwestern's opening game is against the University of Chicago at Stagg Field, Oct. 2.

Noye Signs to Fight Boehme Here Sept. 22

St. Paul Lightweight to Meet Milwaukee Flash; Wallace Wants Go Here

Eddie Boehme versus Johnny Noye! Two of the best middle west fighters in the lightweight division have been matched for the windup fight of Jack Boyd's fistic progam at the Monona A. C. on Thursday night, Sept. 22. Boyd received the contract signed by Noye Tuesday morning and will send it to Milwaukee today for the signature of Boehme, who was responsible for the match. Immediately after Boehme's fight here against Eddie DeBeau, he held a conference with Boyd and asked him to get Noye's name on the contract for a meeting in Madison as soon as possible. The men will fight at 133 pounds.

The Mitchell brothers of Milwaukee are about to make a proposition to Jack Monohan, South Madison mauler, as a sparring partner for Ritchie Mitchell, it was learned Tuesday. Fred Johns is the Madison agent for the Mitchell boys, Pinkey, Ritchie and Billy. Monohan has not yet given his decision in the matter.

Another big fight for Madison is on the way, Jack Boyd, promoter, announced today. Otto Wallace has written Boyd with blood in his eye for a battle with Eddie DeBeau to be held in Madison. Boyd is writing to Knutson, DeBeau's manager, for terms. It is planned to stage the meeting on Oct. 7.

Noye, a veteran scrapper, of St. Paul, was awarded a draw with Otto Wallace in Denver, Col., on Labor day, and Boehme's stand against DeBeau, St. Paul, here the same day put him into the limelight as an aggressive contender for lightweight honors. The fight with Noye will be his first step in his campaign for the championship in that division.

Harry Baxter, former Pacific coast feather, and now of Madison, has signed to meet Jack Bert, Montana mit-wielder, in the semi at 124 pounds. Baxter is a deaf mute but has put his mark on some good men on the coast. Jack Bert is now under the management of Baxter Hall of Madison. They will go six rounds or less.

The second preliminary will be between Jack Bitney and Jack Burns, both of Madison, at 138 pounds. Burns and Bitney have fought before the Madison fans before. They are scheduled to go six rounds. The opener will be between Andy Hickey and one of several men now under consideration by Boyd.

Landis and Giants' Head Show Interference Cause

NEW YORK—The New York National league club, J. H. Heydler, president of the league, and Judge K. M. Landis, arbiter of baseball, are required to show cause, Wednesday, in supreme court, why they should not be restrained from interfering with the appearance of Bennie Kauff in performance of his contract with New York.

Killefer Signed to Cubs Management Next Year

CHICAGO — Bill Killefer signed a new contract to manage the Cubs in 1922. After seeing how successfully Killefer has handled the north side players since his recent appointment as leader, President Veeck arranged a conference with him late yesterday afternoon and fixed things all up for next season.

Edgerton Wins in Shutout, 11 To 0 Over Foe

Middleton Falls Resistless in Batting Bee of Flag Winners

EDGERTON—After defeating the French Battery team, Madison's industrial league champions, on Saturday, Edgerton's Tri-County league pennant winners trampled over Middleton with little resistance on the home field Sunday afternoon, shutting out the holders of the league cellar position, 11 to 0. Edgerton started off with a rush, garnering three runs in the initial inning.

The winners counted 11 with 14 hits. Middleton was helpless before the mighty stickwork of the flag holders. Each team had three errors chalked up against it. The score:

More Losses are Numerous in the Market

NEW YORK — Additional losses of one to almost 3 points were numerous in the first hour's selling on the stock market today. Sumatra, Rumley, pfd. Retail Stores, California Petroleum, Royal Dutch, Famous Players and Central Leather were foremost among the backward issues. The market recovered quite generally before noon on buying of popular oils, equipments and motors, especially Mexican Petroleum, the two classes of Pan-American Petroleum, Baldwin and Studebaker, Rails were dull but firm under lead of Reading and United Drug more than recovered its early loss. Call money opened at 5½ percent.

Rails, especially Hill Shares rose 1 to 2 points later due to announcement of the regular Great Northern dividend. Equipments and oils eased moderately on profit-taking. The close was strong.

Arbuckle Can Now Bring Perjury Case

Continued from Page 1.

has been brought to bear" upon certain witnesses. Whether or not an arrest would be made in connection with his charge of perjury, he said, would depend on further developments.

Dist. Atty. Brady charged that Miss Zey Provost, also known as Zey Pyvron, had changed her testimony before the grand jury from that she had given previously to to police and officials of the district attorney's office that Miss Rappe had told her Arbuckle had caused her injuries. Earlier last night it was reported Miss Pyvron refused to sign a statement that Miss Rappe had told her this and later it was said, she denied that she had ever made the assertion concerning Miss Rappe, Brady said.

Dist. Atty. Brady also charged in his statement that Miss Alice Blake, another prosecution witness was missing.

Dist. Atty. Brady's statement follows:

"We have sent Miss Pyvron home under surveillance. The girl changed her story completely before the grand jury. Whether or not we shall arrest her and charge her with perjury will depend on further developments. I am convinced however, that perjury has been committed by her.

"I am convinced that undue influence and pressure of a sinister character has been brought to bear on her and other witnesses, one of whom, Alice Blake, has mysteriously disappeared.

"In spite of these efforts to thwart the ends of justice the investigation will proceed.

"Whenever wealth and influence are brought to the bar of justice every sinister and corrupt practice issued in an effort to free the accused. It is always easy to convict a poor man. The wealthy malefactors are the ones who find means of using their wealth to their advantage. Wealth and influence should not count in favor of a defendant, neither should they count against him. This case should be handled just as the cases of the other gangsters are handled. The Pyvron woman made a statement in the presence of Capt. of Detectives Matheson, Assistant Dist. Atty. Uren and George Duffy. She repeated this statement time and again. Tonight before the grand jury she changed her testimony."

Arbuckle, the last witness summoned by the grand jury during its five hour session, was aroused from a sound sleep about one o'clock this morning. Arbuckle, it is said, declined to make any statement further than to explain that his lawyers had advised him to keep silent.

After Arbuckle left the grand jury room the jurors began to deliberate upon the testimony given. Behind closed doors the jurors argued, it is said for half an hour, having excluded District Attorney Brady and his assistants.

The conclusion was then reached, it was announced, to defer action until further evidence could be presented. No date was set for the resumption of the inquiry.

Grand Jury Adjourns

SAN FRANCISCO — The San Francisco county grand jury adjourned at 1:10 this morning without concluding examination of the testimony on which the district attorney's office is seeking an indictment against Arbuckle.

Arbuckle was brought before the grand jury this morning but remained only 3 minutes.

Other witnesses who appeared were Mrs. Bambino M. Delmont, friend of Miss Rappe, Al Seminacher and Zey Provost, guests at the party in Arbuckle's rooms. Physicians who attended her were also witnesses before the grand jury.

Says Politics Rules The Veterans' Bureau

COLUMBUS, Ohio — Charges of Dr. Haben Emerson, medical advisor of the Veteran's bureau at Washington, that the bureau is dominated by politics, made last night in an address before the Mississippi Valley conference on Tuberculosis, will not likely bring forth action on the part of the conference leaders said today.

Dr. Emerson who yesterday announced his resignation as medical adviser of the bureau, effective Sept. 15 said that politics is interfering with the workings of the bureau for the care of tuberculosis soldiers.

Says 17,000 Farmers May Sell Milk Direct

of the Elgin and Huntley districts will have the city's support in their efforts to sell milk direct to Chicago consumers at 9 and 10 cents per quart unless local distributors reduce prices Russell Poole, secretary of the council high cost committee announced today. He added that 17,000 farmers in the Chicago district are ready to invade the city in an effort to eliminate the middle man.

Watertown Girl Says Burglar Kind

WATERTOWN, Wis.—"The kindest burglar in Wisconsin" is the way Miss Marie Reynolds spoke of the mysterious person who returned to her by mail a watch stolen from her home nearly a year ago. The watch was received in a small pasteboard box wrapped in cotton and bore only a Milwaukee postmark and an almost illegible address. No letter accompanied the box. The watch was stolen from the Reynolds home along with money and other valuables. It is believed that because Miss Reynolds' name was engraved on the case the thief was unable to dispose of it.

Y. Secretaries Here Name 4 Committee

Y. M. C. A. Delegates Open 2 Day Convention; Local Men Chosen

Four committees were appointed at the convention of Y. M. C. A. secretaries, which opened at the city Y. M. C. A. on Tuesday. The meeting was opened by a business session of general, county and boys' work secretaries and physical directors. Members of the committees are as follows:

Committee on findings—L. W. Carlander, Fond du Lac; H. H. Davis, Wausau; A. C. Preston, Janesville, Wakelin McNeil, Wausau; A. F. Grimm, Madison.

Banquet—Dr. J. B. Modesitt, Milwaukee; F. O. Leiser, Madison, W. H. Wanes, Milwaukee.

Transportation pooling—Robert Snaddon, Madison.

Nomination—C. A. Daley, Beloit; R. E. Bain, Eau Claire; R. H. Starkey, Appleton; J. K. Arnot, Janesville.

Rev. H. H. Lumpkin of Grace Episcopal church, led the devotional hour which followed luncheon. At 2:45 F. O. Leiser, general secretary of the Madison institution, read Dr. Mott's address to the national employed officers' conference. A workable program of physical work for the state committee was discussed, led by R. H. Starkey, Appleton. The men enjoyed a few games and recreation in the gymnasium after the meeting.

Supper is to be served at 6 and a play hour, at 7. George Swan, general secretary, Koba, Japan, and J. K. Stanley, general secretary at Allahabad, India, will discuss foreign work at the meeting tonight.

Discussion of minimum programs will be held on Wednesday, led by J. A. Steiner, general secretary of Janesville; J. K. Arnot, Rock county secretary; C. E. Ford, boys' work secretary at Milwaukee. The business session will be held Wednesday afternoon. J. H. Hoff, Delevan, is president; J. H. Kreher, Eau Claire, vice president; and E. W. Brandenburg, Milwaukee, secretary-treasurer.

Bunn Gets 2 Departmental 1922 Budget

City Attorney Asks $3,880 for Next Year; Will Receive 92 Estimates

City Atty. William Ryan and J. F. Brahany, of the city employment agency, turned their 1922 budgets over to E. F. Bunn, city auditor and comptroller, on Monday. They are the first of the department budgets to be compiled this year. Mr. Ryan asks for $3,880 for expenses during 1922 and Mr. Brahany for $852.

There is little change in either of the two figures over last year, Mr. Bunn said. There are 92 such budgets to be handled by the auditor before the working budget for 1922 will be ready to be submitted in its entirety to the finance committee for revision. Fourteen of them are for general city government, the department of protection of person and property, 9; health conservation and sanitation, 16; highways, 19; education, 3; recreation, 22; public service enterprises, 8, and general woking budget.

A tentative statement of the receipts and disbursements must be in the hands of the city council at the first regular meeting in November, according to law, Mr. Bunn points out. This will necessitate the finance committee beginning its budget session early in October. The departmental budgets will be turned over to the committee, in charge of John Stock, chairman, just as soon as they are checked over by Mr. Bunn.

Moorish Tribesmen Defeated by Spanish

MADRID—Moorish tribesmen fled precipitately from their positions near Melilla when Spanish forces there began their offensive yesterday, said an official statement. The Moors were disconcerted by the Spanish maneuvers and the terrific shell fire poured upon them and abandoned foodstuffs and everything belonging to them in their flight. The Spanish found a number of dead Moors when they advanced.

Seine Carp

W. E. Weidner and force started seining carp at Lake Kegonsa yesterday and are making headquarters in the Weidner cottage at Rock Elm Park. Cribs for containing the carp are also located at other points. Most people in these parts like to have carp do some one some good, instead of accumulating in the lake. The only objection has been heretofore that late seining might interfere with duck shooting. Mr. Weidner and crew spent a month at the lake last fall. According to his estimate at that time there remained approximately 250,000 pounds of carp in the lake. The carp is iced and shipped to Chicago and other cities.

WHAT MADE THE CHANGE?

This Woman says Lydia E. Pinkham's Vegetable Compound Made Her a New Woman

Pittsburgh, Pa.—"Before taking Lydia E. Pinkham's Vegetable Compound I had bearing-down pains so badly I could hardly stand up. I was white and very thin and nervous, had a poor appetite and only weighed 112 pounds I took ten bottles without missing one dose and gave it a fair trial. When I finished the last bottle everyone asked me what made the wonderful change in me. I told them about Lydia E. Pinkham's Vegetable Compound and I recommend it wherever I can. I give you permission to publish this letter to help suffering women as your remedies are a godsend and made a new woman of me."—Mrs. F. A. Baker, 4749 Butler St., Pittsburgh, Pa.

Why will women drag around day after day, suffering from backache, bearing-down pains, nervousness and "the blues," enduring a miserable existence when they have such evidence as the above that Lydia E. Pinkham's Vegetable Compound is a dependable remedy for such troubles. For nearly forty years this grand old root and herb medicine has been restoring the women of America to health.

A large bundle for a Dollar at the Outlet Store tomorrow.

George W. Tapley Gained 56 Pounds

Was Twice Examined and Told He Could Not Pull Through—Weighed Only 90 Lbs.

"I could hardly believe my eyes when I stepped on the scales this morning and balanced them at one hundred and forty six and a half pounds, for I had fallen off below taking Tanlac to where I weighed only ninety pounds," said George W. Tapley, prominent retired farmer, living on E. Main St., Sparta, Mich., in relating his remarkable experience with the medicine, the other day.

"I don't believe anybody ever suffered worse than I did from stomach trouble, nervousness and rheumatism. Why, for two years I was so helpless I couldn't get out of the house, and even had to have some one help me dress and undress all the time. My knees and hands were terribly swollen, and were so painful I don't believe it would have hurt worse had someone been cutting them off with a knife. I was so weak and thin I was little more than a living skeleton, and twice I was even given up and told I could never pull through.

"I read so much about Tanlac I made up my mind to give it a trial and the medicine has certainly been a blessing to me. The rheumatism and stomach trouble have completely disappeared, everything agrees with me and I never have an ache or pain of any kind. I have gained so much that my clothes have become too small for me, and I went up town this morning purposely to weigh myself. I have more strength and energy now than I did twenty years ago, and I want everybody to know what Tanlac has done for me."

Tanlac is sold in Madison by the Luckey Pharmacies and by leading druggists everywhere.—Adv.

The Disarmament Conference

Country Will Hardly Be Impressed With Men Chosen to Represent the U. S.

Left to right, above: Charles E. Hughes and Senator Oscar W. Underwood. Below: Elihu Root and Senator Lodge.

THE CAPITAL TIMES is printing in these columns today the pictures of the four men who will represent this country in the forthcoming disarmament conference.

With the possible exception of Charles E. Hughes, these names will not be heartening to the American people who are praying that some good will come out of the meeting.

* * *

Elihu Root, Henry Cabot Lodge and Oscar Underwood are not the type of men to arouse the confidence of the people of this country. All three are men who have been ultra-reactionaries and have had long careers of service to those interests that have profited by war and by manufacturing the implements of war. At the point where human freedom and advancement have interfered with private profit and private greed, Underwood, Lodge and Root have always been found staying the march of progress.

The appointment of Underwood, a democrat, will hardly fool anyone who does some thinking. It only serves to show how little difference there is between a reactionary republican and a reactionary democrat. Underwood, democrat, has been as ardent a servant of special interests as have Lodge and Root, republicans.

It could hardly be expected that Harding would appoint a man of the type of Borah. Borah has some REAL ideas on the subject of disarmament. He doesn't look at things from the viewpoint of the old world diplomats and it is evident that the conference will be packed with men of the type that wrote the infamous Versailles treaty.

* * *

Meanwhile, another impression with respect to the conference has been steadily gaining ground. A feeling is beginning to assert itself that the present conference is only a clever scheme to slip the league of nations idea over on the American people. Thwarted in their efforts to foist the old world league on the American people, the international bankers are now contriving to put this scheme across under the disguise of disarmament. This will include not only a scheme to put over the Versailles league but efforts will be made at the same time to cancel the allied debts.

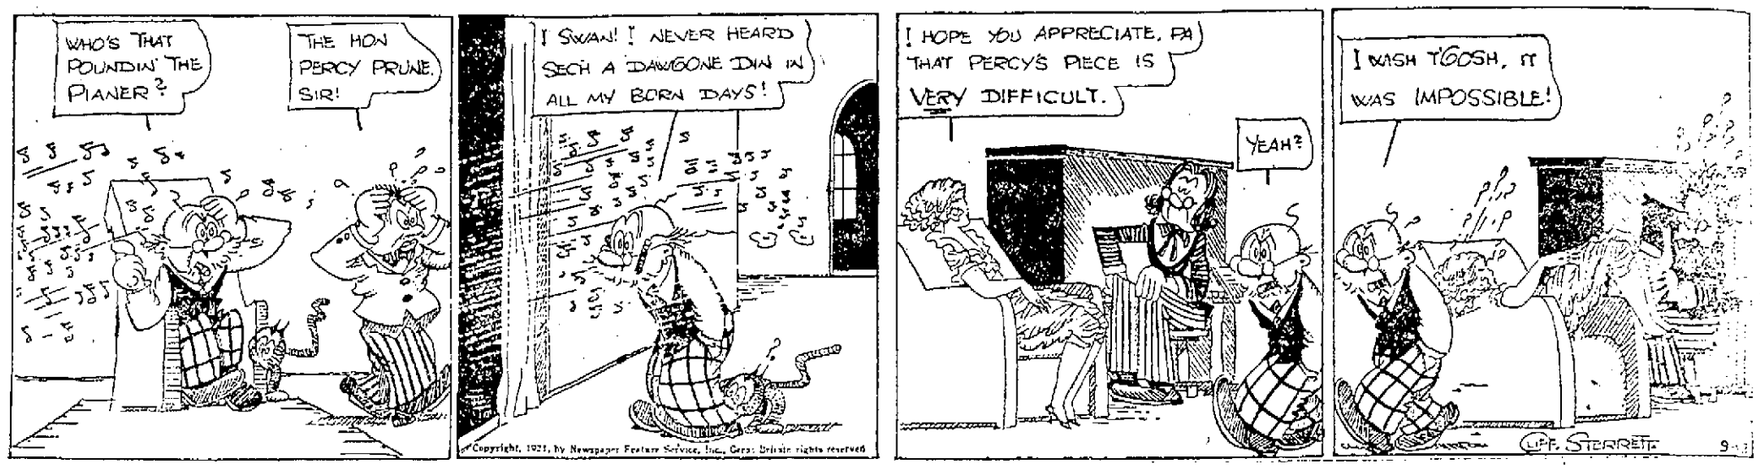

Such an argument seems highly plausible. The wily Root has been a consistent advocate of the league,—he has been the spokesman in this country of the international bankers in New York who are loaded with foreign bonds and who have been working to have this country cancel the foreign debt and to adopt the league plan.

* * *

There is a powerful disarmament sentiment in this country. Any attempt to trifle with it and use this sentiment for an ulterior purpose may unveil dynamite that will redound unpleasantly to those who seek to play with it.

VOICE OF THE PEOPLE

POISON FOR FARMERS

[To The Editor] In its issue of August 12th, Hoard's Dairyman does its bit to strengthen class animosities. To Samuel Gompers' expressed desire "for a closer relationship between organized labor and organized agriculture," it answers, "that it is sheer nonsense, there can be no close alliance between labor and agriculture, all talk and effort to bring laborer and farmer together is twaddle, and useless effort."

The writer believes it is an open question which carries the greater amount of subtle political poison to farmers the so-called farm papers, or the so-called great Metropolitan papers, like the Chicago Tribune, Milwaukee Journal and Sentinel.

Forward looking enlightened Social Leaders, both of City and farm workers have for years realized that if Lincoln's idealism is to be realized, "a government by, of and for the people," it can only be attained through the education and the organization of the great mass of common people—the wealth producers in city and country—those who labor with mind and hand to make the world better and richer.

To sow seeds of political discord to create suspicion in the minds of the workers, to teach the damnably black doctrine that one class can only prosper by advantages wrung from some other class—that Society is forever to be made up of warring factions, is diabolical and doubly reprehensible from those who pose as friends to co-operation and of true community building.

Sir Thomas Hughes, the noted English Co-Operator and member of Parliament, has said, "that co-operation has for its object a complete transforming of the Social Organization in the past men have been considered warring atoms, in the future they are to be co-workers together and that a spirit of justice shall govern in all their exchanges."

Does the Editor of the Dairyman contend that city workers and farmers are now, and are to be eternally opposed "to a spirit of justice that shall govern in all their exchanges?" Will he, fine church member that he is, contend that a Christian Civilization is an irridiscent dream, never to be realized? Does he believe that men are fore-ordained to be "warring atoms," selfish, grasping, unjust? Is this his answer to the age old question raised by Cain? "Am I my brother's keeper?"

Evidently, the Editor has not come to believe in a Social Salvation. Ministers as well as Laymen, in small towns have been slow to teach as possible a Christian ordering of Society—of justice in the market—of the golden rule applied by laborers and farmers in real affairs of business. Does not the Editor need a strengthening of his Faith in the workableness of the theories of the man of Galilee, whose follower he professes to be.

Had he not better suggest to farmers and laborers that they consider carefully their duty one to the other, instead of glib talk to them "about business, not being founded on sentiment," which is tantamount to saying that business is not, or cannot be founded on justice.

May the writer suggest to the Editor that he read the little book, "The Duties of Man," by Joseph Mazinni. If he will read this book carefully his vision may be clearer, his advice more optimistic and much more ethical.—GEO F. COMINGS.

Stunt Flyer Injured In Fall at Oconto

OCONTO, Wis.—"Kid" Reynolds, stunt flyer, performing at state and county fairs, received severe injuries when his plane fell about 100 feet here late Saturday. He had started for Fond du Lac when the plane crashed as the result of a broken tail wing. His mechanic escaped with minor bruises. The plane was badly damaged.

ON THE SIDE

GONE BUT NOT FORGOTTEN

How dear to my heart
Are the scenes of my childhood,
When fond recollection
Presents them to view;
The shave and the shampoo
That I got for a quarter
And the fifteen-cent haircut
My infancy knew.

CONFESSIONS OF A CYNIC

I don't belive bone-rimmed spectacles necessarily denote intellectuality. I wear them myself.

I like to eat things which are not good for me. In fact I can't have any fun eating anything else.

I am very fond of reading Amy Lowell's poetry but I do not read it because I can't understand it.

I can spend a more dismal evening in Greenwich Village than in any other place in the world.

I don't think that lies the people tell about one hurts him if they don't gets noised around.

I like corned beef and cabbage in my own home but I hate to have other people in the neighborhood cook it.

Cole, Maroon Quarter, to Fight for Pilot Job

CHICAGO—Robert Cole, the on again-off-again University of Chicago athlete, will not be lost to the Maroons this fall, according to a statement from Coach Stagg. Cole suffered a dislocation of the shoulder in the Ohio State game last fall, and was shelved for the season.

Trainer Johnny Johnson showed a recent letter from Cole, who is running a boy's camp in northern Michigan. The Maroon quarter back wrote that he had been forward passing every day this summer, and that his arm proved as good as ever. If Cole reports fit for practice on Thursday, there will be a real fight on for quarterback on the Maroon team. Bobbie will have to win the berth from Tatge, a steady little pilot who filled in after his injury last fall, and Milton Romney, sophomore from Salt Lake City.

Auction of Jobless Barred in Baltimore

BALTIMORE— Auctions of the unemployed as was proposed to be started in Baltimore today will not be permitted by either state or city officials.

This was announced today just as a crowd of jobless, seafaring men were preparing to march from the harbor front at the foot of Broadway to hold a "sale" on the City Hall Plaza.

Gov. Ritchie telephoned Police Commissioner Gaither forbidding the auction adding that "No man's services should be offered in a way which would violate the self respect of the American workingman."
